

## Hey There, Obama!

(Sung to the tune of "Hey There Delilah")

"Change the world. It just takes cents"™

Anti-Genocide Darfur Forum, 2/3/2010

Hey there, Obama!  
What's it like in your fair city?  
While so many miles away  
From you, the sight is not so pretty  
And what's more?  
A genocide, and that's for sure.  
It's in Darfur.

Hey there Obama!  
'Not a fan of envoy Gration's  
Thinking smiley faces and gold stars  
Will restore the population  
In Darfur  
They need protection from this war  
And so much more

### **CHORUS:**

DON'T ASK, WHAT YOU CAN DO FOR ME  
RATHER, FOR THE DARFURI  
OH, OBAMA CAN'T YOU SEE  
IN DARFUR, LIFE'S A MISERY  
NO SECURITY.

Hey there, Obama!  
El Bashir is the dictator  
He and his Janjaweed militia are  
The central perpetrators  
Genocide  
400,000 people died  
While Omar lied.  
Hey there, Obama!  
An arrest warrant's been issued  
to bring el Bashir to justice  
while some countries have disputed

the decree.  
It's our responsibility  
with the ICC

**CHORUS:**

DON'T ASK, WHAT YOU CAN DO FOR ME  
RATHER, FOR THE DARFURI  
OH, OBAMA CAN'T YOU SEE  
IN DARFUR, LIFE'S A MISERY

Education, three meals a day  
Productive lives and their own say,  
A safe home is what el Bashir denies  
That is why he has to be  
brought forth before the ICC  
The court needs to disprove his dangerous lies.  
"Justice for all" we all say  
The rule of law comes into play  
We ALL hear the Darfuri people's cries  
As Darfur dies...

Hey there, Obama!  
"Change the world. It just takes cents", and  
please bring justice and democracy  
to Darfur and build homes, not tents  
for all  
Please listen to our urgent call  
We can't let Darfur's people fall  
Hey there Obama hear our cry  
Just say you'll try.

**CHORUS:**

DON'T ASK, WHAT YOU CAN DO FOR ME  
RATHER, FOR THE DARFURI  
OH, OBAMA CAN'T YOU SEE  
IN DARFUR, LIFE'S A MISERY  
THEY NEED SECURITY. OH.....
